

## SREE ARKE CONSTRUCTION & DEVELOPMENT PRIVATE LIMITED

Building Excellence Since 1996

---

### ABOUT US

Sree Arke Construction & Development Private Limited is a multidisciplinary design, engineering, and construction company with nearly three decades of experience delivering exceptional residential, commercial, industrial, and institutional projects across South India.

Established in 1996 as RK construction in Tuticorin and later in 2025 by merging three construction companies and registered as **Sree Arke Construction and Development Private Limited**, ARKE has built a reputation for quality, reliability, innovation, and client satisfaction.

Our mission is to transform ideas into enduring landmarks that create lasting value for our clients and communities.

---

### OUR VISION

To become one of India's most trusted and innovative construction and development companies by delivering world-class projects that combine engineering excellence, architectural creativity, and sustainable practices.

---
